Describe Proposed or completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drill give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)* Merrion Oil & Gas filed a sundry to plug and abandon the subject wellbore. We subsequently added additional perfs and refraced the Corrales No. 2. Results are inconclusive. We propose to add perforations in the subject wellbore and monitor production from both wells for six months to determine whether the wells are economic to produce. If the test results are unsatisfactory, we will plug the subject well according to the previously approved P&A procedure. 4. I hereby certify that the feregoing is true and correct Signed Connic S.
