Re: \$5000 Single Well Cash Bond  
Bond No. OCD-207

Dear Ms. Richardson,

This letter is to confirm our telephone conversation on this date. As we discussed, there was a typographical error on High Plains' Single Well Cash Bond form. The well, Alimento State No.1, is located in Section 36, T17N, R5W, McKinley County, New Mexico, not in Section 16. Please correct the error.

A copy of this letter will be sent to the District Office in Aztec, because the Application for Permit to Drill contained the same error. As a matter of fact, Ernie Bush called it to my attention and asked me to call you.

Sincerely,

John Somers  
High Plains Petroleum
