1980/S; 330/E, Sec. 31-18N-8W

Dear Mr. Lauth:

In August, 1966, Notice of Intention to plug and abandon was received and approved for the above well. No subsequent notice of plugging has been received.

If the well was plugged, will you please file three copies of form C-103 setting out plugging details. If the well was not plugged, please advise as to your future plans for this well.

Thank you.

Yours very truly,
