17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

According to the pumper, Mr. Fino Jaramillo, this well was plugged and abandoned by Mr. H.S. Birdseye in August, 1967. There is presently a steel marker cemented at the surface to mark the old location. Apparently Mr. Birdseye did not file a C103 reporting the work done, although it was plugged and abandoned in accordance with his notice of intentions of 6-20-67.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
