*Mr. Richard S. Hunt
Shar-Alan Oil Company
1402 Denver U.S. National Center
Denver, Colorado*

Dear Mr. Hunt:

*The location of the Shar-Alan #1 Jicarilla "FA", G-13-23N-2W
is not a standard location. The well may be drilled at the
operator's risk, but it must not be produced until approval of the
non-standard location is secured.*

*When filing Form 9-331-B for Notice of Intention to Drill for wells
on Indian lands, please submit one additional copy.*

Yours very truly

*A. R. Kendrick
Engineer, District #3*
