Denver 2, Colorado

Gentlemen:

Your well, Jicarilla E 160 / 3, located SW 12-23-2, has been tied in and is ready for production as of October 1, 1963.

Due to necessary forms not being filed with the New Mexico Oil Conservation Commission in Aztec, we do not have authority to produce this well.

Please advise.

Very truly yours,

EL PASO NATURAL GAS COMPANY
