When conditions permit, weather and proposed plans are finished we would like to make a waterwell by perforating the 7" or by merely plugging below 1130 feet allowing water in the 1106 ft. zone to be used which is good fresh water. It would be inconvenient to do this before March for several reasons: one, weather, the other being that landowner would acquire loan to purchase waterwell equipment. The other reason: Before abandonment we may have a
