On May 11, 1973, we wrote your office advising that the above well had been plugged, and we requested that you furnish a release to The Aetna Casualty and Surety Company so that the One-Well Plugging and Indemnity Bond could be cancelled.

To date we have not received a reply. Will you please advise us by return mail how soon we may expect to receive the release on this bond. A self-addressed, postage-paid envelope is enclosed for your convenience in replying.

Very truly yours,
