Berry Land and Cattle Co., Inc.
Dexter, New Mexico 88230

Dear Mr. Berry:

We are in the process of receiving approval for final abandonment of the Dunn #3 well located 1450 FEL and 1190 FSL Section 3 T23N, R7W. The Bureau of Land Management has requested that we obtain a letter from you as the fee owner stating that the surface restoration is satisfactory.

We currently have a production tank and separator for the Dunn 12 at the Dunn 3 location.

The letter stating that the surface restoration is satisfactory should be sent to the Bureau of Land Management, Caller Service 4104, Farmington, New Mexico 87499. We would appreciate receiving a copy of the letter to the BLM.

We appreciate your assistance in this matter.

Very truly yours,

ELIZABETH B. KEESHAN
