Gentlemen:

Reference is made to your Applications for Permit to Drill (APDs) wells No. 361-2-JV, 361-3-JV, 97/48W/4 and 100/48W/4 sec. 4, T. 23 N., R. 4 E., Rio Arriba County, New Mexico, Jicarilla Contract 361. As discussed with Sally Sawyer of your company on October 19, 1984, the subject APDs are rescinded and returned due to drilling operations not being commenced within a six month extension period following the original approval date.

You are required to request surface rehabilitation instructions from this office if construction activities occurred on the referenced drill site. If this office does not receive comment within 15 days, it will presume that no construction occurred and proceed accordingly. Later discovery that construction activities have in fact occurred, will result in an assessment.

Sincerely yours,

(SGD.) MAT MILLENBACH
