CERTIFIED—RETURN RECEIPT REQUESTED

W. L. Martin and Associates  
709 North Butler  
Farmington, NM 87401

Gentlemen:

Enclosed are your Applications for Permit to Drill (APDs) well No. 14, 16 and 19 Martin - Florance, SW/4SW/4 sec. 5, SW/4NE/4 sec. 8, and SW/4NW/4 sec. 5, respectively, T. 23 N., R. 4 E., Rio Arriba County, New Mexico, Jicarilla Contract 352. As discussed with Pilly Martin of your Company on September 6, 1984, the subject APDs are rescinded and returned due to drilling not being commenced within one year of the approval date.

You are required to request surface rehabilitation instructions from this office if construction activities occurred on the referenced drill sites. If this office does not receive comment within 15 days, it will presume that no construction occurred and proceed accordingly. Later discovery that construction activities have in fact occurred, will result in an assessment.

Sincerely yours,

/s/ J. Stan McKee
