BRANA CORPORATION  
First Interstate Bldg.  
Suite 1223  
Albuquerque, NM 87102

Attention: Morris B. Jones

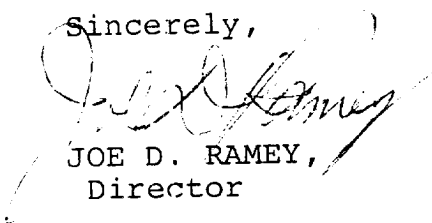

Administrative Order NSL-1736

Gentlemen:

Reference is made to your application for a non-standard location for your Mobil Apache 18 Well No. 3 to be located 2310 feet from the South line and 790 feet from the West line of Section 18, Township 23 North, Range 2 West, South Blanco-Pictured Cliffs, Rio Arriba County, New Mexico.

By authority granted me under the provisions of Rule 104 F of the Division Rules and Regulations, the above-described unorthodox location is hereby approved.

Sincerely,

  
JOE D. RAMEY,  
Director

Re: Request for Unorthodox Location  
Administrative Approval

Dear Mr. Ramey:

Brana Corporation would like to request approval of an  
unorthodox location for the following well:

Operator: Sherman F. Wagenseller  
Well Name and Number: Mobil Apache 18 #3  
Location: 790' fwl and 2310' fsl, Section 18, T 23N, R 2W.  
Rio Arriba County.  
Field: South Blanco PC  
Lease: Jicarilla Apache #159  
Reason for request: Topographical conditions-this location  
will place the well out of the arroyo  
located south of this location-shown on  
the attached plat.

Sherman F. Wagenseller is the operator of all offsetting wells,  
Mobil Oil Corporation owns the leases on all of these wells and  
all of the offsetting wells are on Jicarilla Apache leases.  
A copy of this application has been sent to Mobil Oil and the  
Jicarilla Apache Tribe.

Yours truly,

Morris B. Jones, President

CC: Mobil Oil Company
