RE: NMOCC Order No. R-8952
BLM Letter 12/28/92 Implementation of Pit Netting

To Whom It May Concern:

L-24-23 N-OTW

Thank you for forwarding copies of the Rogers #24-1 sundries for exemption from Order R-8952 (pit netting).

Beginning 12/28/92, the operators will use the following procedures for filing exemptions:

1. A C-134 will be filed with the NMOCD for pits located on state or fee land.
2. A Form 3160-5 (stating only that a C-134 is attached) to which a completed C-134 is attached will be filed for pits located on Federal or Indian land.
3. C-134's filed prior to 1/1/93 will be accepted by both the BLM and OCD.

A C-134 has been enclosed for your convenience. If you have any questions please feel free to call me or Don Ellsworth with the BLM.

Yours truly,

Dianna K. Fairhurst
