Re: Media Entrada Unit #4 Injection K-14-19N-3W

Dear Mr. Sieck:

The above-referenced well has no water flood or salt water disposal order. To obtain an order, you must complete form C-108 and Injection Well Data Sheet. These must be sent to Santa Fe and to our Aztec office. A certificate that notices were sent to the offset operators must be sent to Santa Fe. The forms you need are enclosed.

If you have any questions please call this office.

Yours truly
