Dear Mr. Fellows:

This letter concerns the R. E. Lauritsen, No. 1-5 Federal, Federal Lease NM-15841, Sandoval County, New Mexico.

It is requested that the date for which your office will consider the lease to have been terminated be extended to November 1, 1990.

The reason for this request is due to an attempt by some of the Working Interest Owners to have another operator purchase the well and become operator.

R. E. Lauritsen is in bankruptcy and trying to resolve the situation is extremely hard due to the bankruptcy.

Your consideration of this request would be appreciated.

Very truly yours,

Ewell N. Walsh, P.E.
President
