Gentlemen:

This is to advise you that I have signed all papers that were presented in the plugging of the W. C. Gilmore #1 Well, SE $\frac{1}{4}$, Section 17, 19N, 4W.

This plugging operation was handled by Geohole, Inc., of Dallas, Texas, and it is my opinion that this well was plugged properly and all papers regarding same sent to the U.S.G.S., in Farmington, New Mexico.

Yours very truly,

W. C. Gilmore
