Attn: Mr. G. E. Roth

Dear Mr. Roth:

We have received copies of federal sundry notices pertaining to the plugging operations for your Navajo A #1 well, located in the northeast quarter of section 12, township 23N, range 20W. We note that you have requested that the information on this well be held confidential. New Mexico statutes provide that well information filed with the Oil Conservation Commission will be held confidential for ninety days from the date of completion at the request of the operator. We will therefore hold all information on the well confidential until April 24, 1967, which is ninety days subsequent to date of completion.

Yours very truly;

Emery C. Arnold  
Supervisor, District #3
