Re: Tenneco Oil Company  
Snake Eyes #3  
E-21-21N-8W  
San Juan County

Dear Mr. Myers:

Our records for the subject well include the following:  
Application for Permit to Drill, form C-101; Acreage Dedication  
Plat, form C-102; and our form letter canceling your Permit to  
Drill (dated April 16, 1973).

We do not have any report in our file to account for the  
casing in the well.

We did find that at least surface casing has been run in  
the well and pits were constructed.

Please cause the proper casing reports to be filed, the  
rat hole needs to be filled and the location needs to be  
leveled.

The road to Snake Eyes is now open.

If there are questions, please contact us.

Yours very truly,

A. R. Kendrick  
District Supervisor
