13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

Currently there is no pipeline or gathering system in the area. We are studying the feasibility to acquire right-of-way and lay a gathering system. A long-term shut-in is requested while this study is in progress.
