\$50,000 BLANKET PLUGGING BOND
PETRO LEWIS CORPORATION, PRINCIPAL
BOND NO. 05-96-94

Gentlemen:

In answer to your letter dated November 5, 1990 regarding the above matter, enclosed herewith is the documentation I referred to in my October 20, 1990 letter. By copy of this letter I am asking our Engineering Department to contact the Aztec office, if possible, to see what the problem is since your Mr. Charles [unclear] stated office was to receive all executed forms; however, the forms enclosed are not approved by your office.

I sincerely hope that the enclosed and our contact with you will allow you to cancel the subject bond and release us of this matter, bringing this matter to a close.

Thank you for your cooperation in this matter.

Yours very truly,

Ida Healy
