Dear Mr. Porter:

As provided for in Order No. R-179-3, Rule 4B covering the Escrito-Gallup field, Val R. Reese & Associates, Inc. request administrative approval to drill their #2-25 Mesa well on an unorthodox location. The #2-25 Mesa well will be a Gallup completion located 390 feet from the east line and 1850 feet from the south line of Section 25, T-24N, R-7W, Escrito-Gallup field, Rio Arriba County, New Mexico.

The unorthodox location is requested because of the extreme topographic conditions in the area west of the proposed location. Val R. Reese & Associates, Inc. are offset operators of all of the acreage surrounding this well.

Very truly yours,

Morris B. Jones
