Re: Acreage Dedication, Killarney Oil Co. #1-24 Brown, J-24-24N-7W, Rio Arriba County, New Mexico

Dear Mr. Brown!

As you are aware, a recent Commission Order established a gas reservoir known as the Devils Fork Gallup Gas Pool within which the above well is located. This order specified that all operators should file corrected acreage dedication plats changing the acreage dedication to 160 acres, which is our standard gas well spacing.

We are holding Form C-110 on your well pending receipt of the Form C-128 in triplicate indicating the above information.

Yours very truly
