**Dear Mr. Porter:**

**Val R. Reese & Associates, Inc., in conformance with Order R-2183, would like to request an extension for filing 1961 Annual Deliverability Test on the #1 Lybrook Federal (Dakota) well in Unit C., Section 19, 24N-6W, until April 1, 1962.**

**The last annual test scheduled in December, 1961, was not adequate for State requirements because of freezes in the lines which caused approximately three days shut in during flow week.**

**Attached is a copy of a letter to Southern Union Gas Company requesting that this well be rescheduled.**

**Very truly yours,**

**Morris B. Jones**
