CASING RECORD

Casing Size	Weight per foot	Through inch	Make	Amount	Kind of shoe	Cut and pulled from	Plot - To -	Purposes
It is of the greatest importance to have a complete history of the well. Please state in detail the dates of redrilling, together with the reasons for the work and its results. If there were any changes made in the casing, state fully, and if any casing was sidetracked, or left in the well, give its size and location. If the well has been dynamited, give date, size, position, and results of pumping or balling.
