RE: List of Wells

Dear Al:

I have approved the C103's for the temporary abandonment of the listed wells with the conditions that all wells will be TA'd or P&A'd prior to September 26, 1996. Please notice there are 5 wells that were not addressed with a C103 and should be included in your plans to temporary abandon all wells. If I can be of any help in this matter feel free to contact me at 334-6178. Failure to bring wells into compliance by September 26, 1996 could result in a fine.

Sincerely,

Johnny Robinson
