Dear Madam:

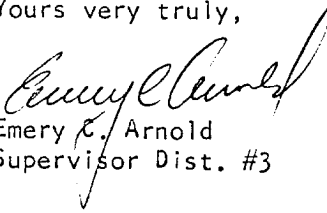

We have received New Mexico Commission form C-104 transferring ownership of several wells previously owned by Clark & Cowden Production Company to Petroleum Corporation of Texas.

One of these wells is identified as the Federal #1 located in the NE $\frac{1}{4}$  of S17-T24N-R3W. We also note that Petroleum Corporation of Texas already operates another well which is also identified as the Federal #1. This is a Dakota gas well located in the SE $\frac{1}{4}$  of S21-T25N-R9W.

It will therefore be necessary to change the lease name of the new well or use a number not previously assigned to another well.

Enclosed is C-104 which we just received for the new Federal #1.

Yours very truly,

  
Emery C. Arnold  
Supervisor Dist. #3
