DETAILS OF WORK

(State names of and expected depths to objective sands; show sizes, weights, and lengths of proposed casings; indicate mudding jobs, cementing points, and all other important proposed work)

This report is a continuation of abandonment report dated June 29, 1955.

The mud pits have been filled and levelled, the location cleared of junk, and a permanent marker installed in compliance with Federal and State Regulations.

I understand that this plan of work must receive approval in writing by the Geological Survey before operations may be commenced.
