13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

Evaluation of production level is substantially complete for this well. We are currently compiling cost data to evaluate the economics of pumping unit installation to produce this well. Test data and a plan for producing this well will be completed and presented by May 1, 1996.
