Attn: Mr. M.A. MacLennan

Dear Sir:

We are returning two copies of Federal Notice of Intention to Drill which we have received from the U.S.G.S. Office in Farmington.

As this well is located within one mile of the Ballard Pictured Cliffs Pool boundary it will be necessary that cement be placed behind the 5 $\frac{1}{2}$ " casing across the Pictured Cliffs-Fruitland formations. Will you please so indicate on your notice of intention to drill and return to us.

Yours very truly
