*Mr. J. Gregory Merrion
Box 507
Farmington, New Mexico*

Dear Mr. Merrion:

*We have received copies of a Federal Notice of Intention to Drill
for your #1-32 Canyon Largo Unit well located in the NE₄ Section
15-24N-6W.*

*This well is within the horizontal limits of the Ballard Pictured
Cliffs Pool and it will therefore be necessary that you cover the
Pictured Cliffs Formation with cement behind the production casing.
You have not indicated your intention to do so.*

*Will you please send two copies of a letter amending your casing
program as indicated in order that we may have one for our file
and one for the Santa Fe Office files.*

Yours very truly

Mr. J. Gregory Harrison
Box 507
Farmington, New Mexico

Dear Mr. Harrison:

We have received copies of a Federal Notice of Intent to drill for your 41-24-10000-1000 well located in the 41-24-10000-1000 section.

This well is within the horizontal limits of the 41-24-10000-1000 Cliff Pool and it will therefore be necessary that you cover the 41-24-10000-1000 section with cement within the production control. You have not indicated your intention to do so.

Will you please send two copies of a letter indicating your covering program as indicated in order that we may have one for our file and one for the Santa Fe Office file.

Very truly yours,

Secretary of the Commission
