RE: Illegal Pits in Northwestern New Mexico
Miller B #5, N-12-24N-07W (Earthen Pit off Meter Run)

Dear Mr. McMillan:

In a letter dated August 4, 1993 our office requested a C-134 exception for the above mentioned pit that was inspected on June 8, 1993 by Jackie Neckels from the BLM. GCNM was directed to submit this exception by August 18, 1993. To date we have not received any exception. GCNM is in violation of New Mexico Oil Conservation Order R-8952. Your failure to respond by September 1, 1993 to a second request may result in fines or other appropriate measures.

Sincerely,

Dianna K. Fairhurst
