Dear Mr. Marrion:

A recent check of our files fails to show evidence that dual completion authority has ever been given for your Edna Well No. 4, located in Unit H of Section 7, Township 24 North, Range 6 West, Rio Arriba County, New Mexico.

If you have received authority for this dual completion, please advise this office of the order number. If you have not, please so confirm and an order will be issued.

Very truly yours,

DANIEL S. NUTTER  
Chief Engineer
