Att: Mr. Harry J. Miller

Dear Mr. Miller:

Reference is made to your letter of December 8, 1955 inquiring as to the present status of the #1 Palmer well in the SE $\frac{1}{4}$ Section 1-24N-2W. Enclosed is a copy of a letter written to Mr. Palmer by our Santa Fe office on October 18, 1955 informing him a bond had been approved and that Greenbrier Oil Co. was relieved of any further responsibility in connection with the well.

Evidently Greenbrier's copy of this letter went astray.

Yours very truly

Emery C. Arnold

Dear Sir:

Please advise if the bond of Rodger Palmer on the Palmer No. 1 well was approved by the Oil Conservation Commission and if the change of ownership has been completed and is now on file.

Also if the Greenbrier Oil Company is relieved of any further responsibility in connection with the well.

Very truly yours,

Harry J. Miller
