**Re: Annual Deliverability Test
Exemption for Block "B"
No. 2 Unit K Section 1-24N-6W
Rio Arriba County, New Mexico**

Gentlemen:

This is in regard to your letter of February 12, 1958,
regarding an exemption to the referred annual deliverability test.

Since the deliverability was only 32 MCF, I can see no
objection to exempting the above-captioned well from further deliverability
tests at the discretion of the Commission.

Very truly yours,

**ELVIS A. UTZ
Gas Engineer**
