Re: Supplement NW 7655, corrected
Skelly Oil #3 L.L. McConnell
N-31-25N-3W, South Blanco PG

Dear Elvis:

Subject supplement corrects a long-standing error in acreage assignment to the affected well.

Due to the length of time the error existed can the operator expect to be exempt from the cancellation-redistribution process on July 31, 1963 without going to hearing?

The operator requests an early reply.

Yours very truly

A. R. Kendrick
Engineer, District #3
