Gavilan-Pictured Cliffs Pool
Rio Arriba County, New Mexico

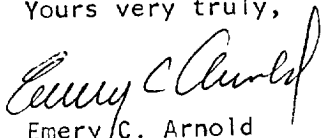

Dear Mr. Lesperance:

An Oil Conservation Commission shut in order has been in effect for the above well for the past several months due to non-conformance with Commission rules and regulations.

The well is now in compliance with Commission rules and I am authorizing you to resume production

If you have any questions concerning the above matter, please contact me.

Yours very truly,

Emery C. Arnold
Supervisor, District #3
