Oil Conservation Commisison
AZTEC, NEW MEXICO

December 30, 1953

Mr. W. L. Pierson
Shiprock, New Mexico

Dear Bill:

We received your letter regarding Notice of Intention to Drill on your well in Section 30-25N-4W. This location will have to have approval of Mr. R. R. Spurrier, Box 871, Santa Fe.

The paragraph you have written regarding terrain is all right, but you should add another paragraph stating who the offset landholders are or if there are none, state that Continental Oil Co. owns all offsets. Mail the letter directly to Mr. Spurrier in Santa Fe.

Yours very truly,

Emery C. Arnold
Oil & Gas Inspector
District #3

ALBUQUERQUE, NEW MEXICO

December 31, 1958

Mr. W. L. Brown
Shimrock, California

Dear Sir:

We received your letter regarding location of oil
on land in Section 30-22-14. This location will have to
have approval of Mr. R. R. Brown, our Oil Conservation

The paragraph you have written regarding location of oil
but you should not consider another paragraph stating that oil
landholders are on it there are some state that oil
oil co. owns all oil. All the land directly to Mr.
Shimrock is in the oil.

Very truly,
Sincerely,

Mr. W. L. Brown
Oil Conservation
