13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)

Conoco Inc. is in need of replacing an existing flowline as indicated on the attached plat. I contacted the BIA in Dulce and explained that this is an on lease action and is in need of being done immediately for safety reasons.
