Re: Deliverability Test
Bishop #1

Gentlemen:

Atlas Minerals #1 Bishop located in Unit D, Section 26, 25N-3W, Rio Arriba County, New Mexico is a South Blanco Pictured Cliffs gas well. Recently this well was reclassified from non-marginal to exempt marginal status. Will you please advise whether it will be necessary to conduct a deliverability test on the subject well in view of its new status.

Very truly yours,

N. B. GOVE
