Re: Papers to Complete File
Navajo Tribal 13 #1, P-13-32N-20W
Jicarilla 20 #2, M-20-25N-4W

Gentlemen:

In December, 1971, you completed your Navajo Tribal 13 #1 well and indicated that it was to be plugged and abandoned. We have not received Federal Form 9-331, Subsequent Report, reporting plugging and abandonment.

We need Federal Form 9-330, Well Completion Report and Log, reporting the history of your Jicarilla 20 #2 well.

Will you please file these papers with the United States Geological Survey so that we can complete our files?

Yours very truly,

A. R. Kendrick
Engineer, District #3
