Farmington, New Mexico

Dear Mr. Ballack

The Kay Kmbell well, Salazar Federal #1-22, located SE 22-25-6, is tied in and has been ready for production as of November 26, 1958.

Due to necessary forms not being filed with the New Mexico Oil Conservation Commission at Aztec, we do not have the authority to produce this well.

Please advise.

Very truly yours,

Original Signed By W. M. Rodgers
