(Note: Report results of multiple completion on Well Completion or Recompletion Report and Log form.)

13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)

This will serve as notification that the Site Restoration for the above listed well has been completed.

The location is ready for BLM inspection and removal from the Conoco Bond.

If you have any questions please contact Greg Vick at our Farmington office.
