This form is to be filed in compliance with NUCR 1004.
If this is a request for allowable for a newly drilled or recompleted well, this form must be accompanied by a tabulation of the production tests taken on the well in accordance with RULE 111.
All sections of this form must be filled out completely for allow-
able on new and recompleted wells.
Fill out only Sections I, II, III, and VI for changes of owner,
well name or number, or transporter or other such change of condition.
Supplement Form C-104 must be filed for each pool in multiple
production.
