P. O. Box 871

Dear Sir:

This letter will have reference to Amerada Petroleum Corporation, completing their Jicarilla Apache "F" Well No. 9, located in the South Half of Section 16, T25N, R5W, Rio Arriba County, New Mexico.

The Kay Kimball Oil Company has no objections to Amerada completing subject well as a dual parallel string completion in the Gallup and Basin Dakota zones, using 2-7/8" Non-Upset tubing as casing.

Very truly yours,

KAY KIMBALL OIL COMPANY
