DETAILS OF WORK

(State names of and expected depths to objective sands; show sizes, weights, and lengths of proposed casings; indicate mudding jobs, cementing points, and all other important proposed work)

Pictured Cliffs Sand test. Estimated total depth 3700'.

Surface Casing: 90' of 8-5/8" OD 24# J-55 cemented to surface.
 Production : Approximately 3700' of 5-1/2" OD 15.5# J-55 cemented with 150 sacks.

If commercial production is indicated, the producing section will be sand-water fractured.

I understand that this plan of work must receive approval in writing by the Geological Survey before operations may be commenced.

Company **EL PASO NATURAL GAS COMPANY**

Address **Box 977**
Farmington, New Mexico

By **Dr Johnston**
 Title **Petroleum Engineer**

1. The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that proper record-keeping is essential for the transparency and accountability of the organization. The text also mentions the need for regular audits to ensure that all financial data is correctly recorded and reported.

2. The second part of the document outlines the procedures for handling financial transactions. It details the steps involved in processing payments, receipts, and invoices. The text stresses the importance of following established protocols to avoid errors and ensure that all transactions are properly documented.

3. The third part of the document addresses the issue of budgeting and financial planning. It discusses the role of the finance department in developing and monitoring the organization's budget. The text also mentions the need for regular communication between the finance department and other departments to ensure that the budget is realistic and achievable.

4. The fourth part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that proper record-keeping is essential for the transparency and accountability of the organization. The text also mentions the need for regular audits to ensure that all financial data is correctly recorded and reported.

5. The fifth part of the document outlines the procedures for handling financial transactions. It details the steps involved in processing payments, receipts, and invoices. The text stresses the importance of following established protocols to avoid errors and ensure that all transactions are properly documented.

6. The sixth part of the document addresses the issue of budgeting and financial planning. It discusses the role of the finance department in developing and monitoring the organization's budget. The text also mentions the need for regular communication between the finance department and other departments to ensure that the budget is realistic and achievable.

7. The seventh part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that proper record-keeping is essential for the transparency and accountability of the organization. The text also mentions the need for regular audits to ensure that all financial data is correctly recorded and reported.

8. The eighth part of the document outlines the procedures for handling financial transactions. It details the steps involved in processing payments, receipts, and invoices. The text stresses the importance of following established protocols to avoid errors and ensure that all transactions are properly documented.
