Re: Bolack, Greer et al. Well
No. A-14, Unit A, Section 14,
Township 25 North, Range 1
West, Rio Arriba County

Dear Emery:

We have received a request for an unorthodox location for the above well which is located 1125 feet from the North line and 450 feet from the East line of Section 14, Township 25 North, Range 1 West. The application reflects that a carbon copy of the same was forwarded to your office.

As the applicant, Albert R. Greer, states that all offsetting acreage is owned by Bolack, Greer et al., we can grant the application immediately if you feel the topography justifies the location. Will you please check this out and advise us at your earliest convenience.

Very truly yours,

JAMES M. DURRETT, Jr.,
Attorney
