Dear Sir:

We received an allowable request on your #1 Petro-Federal well, located in the NW<sup>1</sup> Section 10-25N-1E.

We are granting you an allowable effective September 1, 1960; however, we have never received from either you or Mr. Harvey an acreage dedication plat testifying to land ownership.

We are enclosing a supply of Form C-128. Please execute three copies, outlining the acreage to be dedicated and answering the questions regarding ownership and file with this office. The certification should be signed by you, but it is not necessary that ~~the~~ form be signed by the engineer who ~~established~~ location, as a location plat was originally submitted.

Yours very truly
