Dear Leo:

This is to acknowledge receipt of your letter of May 16 and also receipt of 2 copies of Notice of Intention to Drill and one copy of Engineer's report.

Under our present rules and regulations the operator is now required to submit 5 copies of a Notice of Intention to Drill, with a Surveyor's plat attached to each. I am returning one copy of the Notice of Intention to Drill which you enclosed, which was incomplete. As soon as you return the required number of copies of this form C-101 properly made out, showing the footage and the status of the bond, it will be approved and an approved copy returned to you.

Yours very truly,

Al Greer
