*Dear Sir:*

*Notice of Intention to Drill has been received for the above well and we note that the acreage dedication plat indicates that there are 196.29 acres within the NW<sub>4</sub> of Section 3.*

*Tapacito Pool rules require that administrative approval of this non-standard unit be secured prior to production. Application for administrative approval should be directed to Mr. A. L. Porter, Jr. Secretary-Director, Oil Conservation Commission, Box 871, Santa Fe, New Mexico. Approval should be asked under the terms of Order R-1670-C, Rule 5(b). All offset operators to the quarter-section should also be notified of your application or if possible waivers should be secured from offsets in order to expedite approval.*

*If any further information is desired please contact us.*

*Yours very truly*
