Dear Mrs. Sparks:

Returned herewith and not approved are forms C-103, Subsequent Report of Abandonment, for the subject well.

We need depths of the cement plugs actually set in the well as well as the date of abandonment. Someone with the Shar-Alan Oil Company should remember the name of the plugging contractor and the approximate date. Service company tickets and materials statements are probably available to assist in making the report.

If there are questions, please contact us.

Yours very truly,

A. R. Kendrick
